FAQs

Q: Why adaptive clothing?

A: All garments are made with special adaptations to make dressing and mobility in daily life easier on the wearer and the carer.

Q: What is the seated easement?

A: Additional fabric is added to the seat of the pant to make wearing easier on the seated person. Great for people who use wheel chairs or day lounges. Also, skin integrity is enhanced due to better fit of the clothing.

Q: How long will my order take to arrive?

A: Push Mitts up to 10 days. Custom made clothing can take up to 3 weeks. Most items ordered arrive under 8 working days.

Q: What will the freight cost?

A: We use Australia Post Express Services. If you would like an alternative, please talk with us.

Q: What if I don't like the colour or the size etc of items I receive?

A: We have a 100% satisfaction guarantee of your purchase order. If you are not entirely satisfied, please return the un-used, unwashed garment(s) to 15 Ebony Crt, BRAY PARK, Q 4500. We are happy to resupply the order. Postage is not covered by guarantee.
